BILL

DECLASSIFICATION AS DOMAINE PUBLIC (PROVIDENCE LAGOON) BILL, 2023

(Bill No. 13 of 2023)

EXPLANATORY STATEMENT OF OBJECTS OF AND REASONS FOR THE BILL

The object of this Bill is to make provision for the declassification of a specified area of water and sea bed that forms part of the *domaine public* at Providence, Mahe, Seychelles (the "Specified Area"), in order for that area to cease to be part of the *domaine public*.

The Specified Area will be used for the development of a 5 Megawatt floating photo voltaic plant on the marine environment, not only to contribute to the country's transition to greener energy sector but also to address the country's limited available land areas for such projects.

The Bill seeks to declare the Specified Area as a protected area, on the basis that it is in the public interest that special precautions should be taken to prevent unauthorised persons from entering the area without the permission of the prescribed authority. This is to ensure that the Specified Area, together with any equipment and assets located therein, is protected.

The Bill in addition makes provision for the entering into by the Minister of an agreement to grant exclusive rights of use over the specified area to such an entity as the Minister may determine.

Finally, the Bill permits the Minister to make Regulations for giving further effect to the provisions of the Bill.

Dated this 31st day of August, 2023.
